Notes from the Director

CHAD ROBINSON, LIBRARY DIRECTOR

crobinson@elkhorn.lib.wi.us

Hello and welcome to our latest newsletter! Unlike previous newsletters, this one covers the months of March, April, AND May! We're doing this as a way to make sure all our pre-summer programs are fully covered, as well as getting ready for our next big newsletter which will cover the ENTIRE summer! We hope this helps you keep track of all the big events we have coming your way.

We know the recent weather has been challenging, but as we get closer to spring, we're looking forward to clearer skies, warmer temperatures, and no emergency closures! We hope you've kept warm, stayed safe, and used the time to catch up on your reading. There's so much to read out there now, and it's hard to take a chance on a new title or author...but we have a solution. Our Tailored Titles service has an excellent track record of matching readers with books they've enjoyed, and we'd love to do the same for you. Just head over to our website, or grab a paper form at the library, and our book experts will find you 3 new titles we think you'll love, based on your reading history and preferences. It's completely free and only takes 3 days, so please try it out!

Longtime readers of the library newsletter know that our library plans many events, collects a very diverse set of resources, and partners with many local agencies and nonprofit groups to offer a variety of services. There are so many things we can be doing, but of course resources are limited. This is why we embark on a strategic plan every few years. Our strategic plan committee, made up of a diverse cross-section of our community, is hard at work on a survey that we hope to share with you in the near future.

Please help us out by filling this out when available. Your responses will help set the course for our library services for many years to come, and we want to hear from you. Stay tuned for more details.

Read ahead for information on all our kids', teen, and adult programs that are happening March-May. Highlights include crafting events (including painting), special speakers, and of course our popular recurring storytimes, fan clubs, movie showings, and everything else.

On the Friends side of things, we're very excited for our upcoming bus trip to Naperville Illinois to meet bestselling author Kristin Hannah. Space is extremely limited, so if you'd like to travel with us, please drop by the library to save your spot! If you like this event, please consider joining the Friends; it's a wonderful group that helps the library immensely, and you can have a part in planning future fun events.

As always, please let me know if you have any questions or concerns about Your Library, and please enjoy the newsletter!

Notes from the Friends of the Library

Over this past year, there has been a lot of concern about peoples' mental health and happiness. Did you know that volunteering boosts mental health because it makes people more satisfied with life leading to better mental health over those who do not volunteer?

Researchers who study volunteering have shown the following four benefits:

- **Volunteers meet other people and make new friends**
- **Volunteers learn new skills**
- **Volunteers can advance careers**
- **Volunteers feel happier, healthier and improve mental health**

Consider increasing your happiness and overall mental health by volunteering for one or more of the following Friends of the Library events in March and April:

- **The next Movie Matinees are March 3rd and April 21st at 1:00 p. m. Volunteers can help make popcorn, set up the popcorn bar, and put away any leftovers after the movie.**
- **The semi-annual Book and Bake Sale will be March 23-25, 2023. The preview sale for Friends members is on March 23 and sale for the general public is March 24-25. Volunteers are needed to bake food to sell and also to work at the tables to serve customers. For the Book Sale, volunteers are needed to help set up the books, work at the tables to serve customers and to take down the tables and box books after the sale on Saturday.**
- **The next General Meeting is April 26th at 6:30 p. m. where the election of officers for 2023-2024 will be held. Consider volunteering to be one of these officers.**

The other major event that will take place in March is the "Have Book will Travel" bus tour to Naperville, Il to hear the author Kristin Hannah speak and sign copies of her book 'The Four Winds'.
